

Honors: Spanish I

Spanish I covers the five Cs of the ACTFL standard: communication, cultures, connections, comparisons, and communities. The instruction is balanced between the thematic and communicative approaches to learning language. Spanish I students learn to greet people, describe family and friends, talk about hobbies, and communicate about other topics, such as ecology, travel, and medicine. Each lesson presents vocabulary, grammar, and culture in context, followed by explanations and exercises. Vocabulary includes terms to describe school subjects, parts of the body, and people, as well as idiomatic phrases. Instruction in language structure and grammar includes the verb system, adjective agreement, formal and informal address, reflexive verbs, and past tense. Students explore words used in different Spanish-speaking regions, and they learn about the cultures of Spanish-speaking countries and regions within and outside Europe. Web explorations give students further insight into the culture and people of the Spanish-speaking world, including the United States. Spanish I is balanced between the thematic and communicative approaches to learning language. The content is based on the American Council on the Teaching of Foreign Languages (ACTFL) standards.
